

NEW DATES FOR THE EXHIBITION PACGRAF CUBA 2019

From the organization of the International Exhibition of Packaging and Graphic Arts of Cuba, we inform to all the institutions, exhibitors and visitors attending or interested in the event about the new dates rescheduled from January to 9th – 11th April 2019.

The Ministry of Industries of Cuba has considered that these new dates are more appropriate for the correct development of the exhibition and for the industry of the country.

We apologize for any inconvenience that this changed may have caused. Do not hesitate to contact us through the following phone lines or emails for any questions or clarifications:
