

WELCOME TO THE CUBAN MARKET

SECURTEC CUBA 2017 is the professional trade fair for **urban, personal and emergency management security** that takes place in Cuba and responds to the growth that has taken place in the sector in recent years.

The opening up of Cuba to the world combined with the attractive nature of the country, offers an opportunity for new **products and technology** and a challenge to present the island as a country which has safety integrated into every aspect of life.

Sectors that will be represented and showcased at SECURTEC CUBA 2017:

- Fire prevention
- Occupational health and safety
- Road traffic and transport safety
- Safety against natural risks
- Medical safety
- Computer systems security
- Insurance
- Institutions and organisations
- Personal Security
- Industrial Security
- And much more

ADVANTAGES OF EXHIBITING AT SECURTEC CUBA 2017

- 1. Trade show area:** to present products and get up to date with the Cuban market.
- 2. Activities and networking:** product presentations, training sessions and the opportunity to share experiences and make business contacts.
